Ombra mai fu – G.F. Handel

Ombra mai fu di vegetabile,
cara ed amabile, soave più.

*A shade there never was, of any plant,
dearer and more lovely, or more sweet.*

Ah Robin – William Cornysh

Ah, Robin, gentle, Robin,
Tell me how thy leman doth
and thou shalt know of mine. X 3

My lady is unkind I wis,
Alack why is she so?
She loveth another better than me,
and yet she will say no.

Ah, Robin, gentle, Robin etc.

I cannot think such doubleness
for I find women true,
My lady loveth me doubtless
And will not change for new.

Ah, Robin, gentle, Robin etc.

Have you seen the Ghost of John

Have you seen the Ghost of John?
Long white bones with the rest all gone
Ooh...
Wouldn't it be chilly with no skin on?

Lean on me – Bill Withers

Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's
Always tomorrow

Please swallow your pride
If by your faith
You need to borrow
I'm right up the road
I'll share your load
If you just call me

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on

If there is a load
You have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

You just call on me brother
When you need a hand
We all need somebody to lean on
You just might have a problem
That I'll understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on

Call me (x7)
